### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christa Hildebrand on 4/21/08.

The application has been amended as follows:

**Claim 28 (currently amended)** An article with improved energy consumption efficiency, comprising a contact surface including ~~concave regions having respective predetermined sizes and~~ a flexible film formed thereon, the film ~~being nearly liquid and~~ having a thickness of 0.01 to 10  $\mu\text{m}$  and a viscosity of 100,000 cp or less, the film containing antislipping agents, the antislipping agents consisting of fine particles of an average particle diameter of 10  $\mu\text{m}$  or less, the film comprising heterofunctional group modified silicone containing amino groups and alkoxy groups; wherein the article is a rubber tire.

**Claims 39-47 have been canceled.**

***REASONS FOR ALLOWANCE***

The following is an examiner's statement of reasons for allowance: the claims are allowable over the closest prior art to Craven (US 3878147) and Watanabe (US 5603367). Both references are directed to rubber tire coatings but fail to teach, suggest or otherwise render obvious the claims which now require the use of a heterofunctional group modified silicone containing amino groups and alkoxy groups.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to /Holly Rickman/ whose telephone number is (571) 272-1514. The examiner can normally be reached on Monday-Friday 9:30-6:00.
